Method TIMES = THE MOMENT IN THE VIDEO

1. Fry the onion with ¼ tsp salt in 3 tbsp olive oil over medium heat until caramelised, then add the garlic for about a minute. 0:43
2. Add the black beans, paprika, cumin, black pepper, cayenne and the rest of the salt. Keep frying until the beans are almost completely dry. 1:38
3. Stir in the grated carrot and cook on medium to medium-high until the carrot is soft and the mixture is dry. Turn off the heat, mash most of the beans and let it cool uncovered. 2:08
4. Mix in the white vinegar, balsamic vinegar and passata, then the chickpea flour and baking soda. Knead by hand until evenly combined. 2:55
5. With an oiled ⅓-cup measure and oiled palms, shape 8–9 patties about ½ inch thick. 4:24
6. Heat 2–3 tbsp oil in a pan and cook 3–4 patties at a time on medium-low for about 3 minutes a side, then 30 seconds on medium-high for a crust. Drain on paper towel. 5:05

> **Tip** Serves 4 at 2 patties each (our estimate; makes 8–9). Raw patties keep 4–5 days in the fridge, layered with baking paper. The cook serves them with sriracha mixed into vegan mayo, or in a bun.
