Method TIMES = THE MOMENT IN THE VIDEO

1. Tear the outer leaves off the bok choy (the hearts keep well in the fridge for another meal), wash and drain thoroughly. Cut the stems into bite-size pieces and keep them apart from the leaves. Slice the shiitake. 0:19
2. Put the oil, scallions and garlic slices into the wok and stir over low heat for about 3 minutes, until the aromatics are lightly golden. 1:26
3. Stir in the oyster sauce, soy sauce and dark soy sauce to make a quick scallion sauce. 1:39
4. Add the bok choy stems and mushroom slices and splash the water in around the side of the wok so the caramelised aromatics do not burn. Keep stirring over medium-low heat for 2–3 minutes, until soft. 2:04
5. Add the leaves and stir just until they wilt, then serve as a side dish. 2:25

> **Tip** For a vegan version use vegetarian (mushroom) oyster sauce. Oyster mushrooms or chanterelles work instead of shiitake, and the scallion sauce suits almost any green. Use 1 tbsp oil for a lighter dish.
