Method TIMES = THE MOMENT IN THE VIDEO

1. Make the sauce first: whisk the mayonnaise, sugar-free ketchup, pickle juice, mustard, vinegar, onion powder and paprika together and chill it while you cook. 0:38
2. Brown the beef in a frying pan over medium-high heat, breaking it into small crumbles, until no pink remains. Season with salt, pepper, onion powder and garlic powder. 2:19
3. Chop the romaine and dice the onion and pickles. Divide the lettuce between two bowls. 2:55
4. Top each bowl with the warm beef, then the onion and pickles, then the cheddar. Spoon the sauce over (the card suggests 2–3 tbsp each; the nutrition counts all of it), scatter with sesame seeds and toss if you like. 4:00

> **Tip** In the video they brown extra-lean (96%) beef in a little avocado oil, which makes it much leaner; the recipe card simply says ground beef. The sauce is also good on burgers or as a dip for raw vegetables.

The method is a summary in our words — the video shows every step.
