Method TIMES = THE MOMENT IN THE VIDEO

1. Cook the bacon until crisp (the cook air-fries it about 11 minutes; thin bacon cooks faster), then chop it. 1:10
2. Meanwhile, brown the ground beef and pork in a pan with the saved bacon fat, breaking it up, and add a little salt if you like. 1:26
3. Whisk the eggs with the cream, then stir in the mozzarella and cheddar. 2:55
4. Tip the cooked meat and its fat into a baking dish, scatter over the bacon, pour the egg and cheese mixture on top and mix everything together. 5:44
5. Bake (or air-fry) at 175°C for 20–25 minutes, until the top is bubbling and lightly browned. 7:14
6. Rest for 10–15 minutes before cutting into slices. 7:48

> **Tip** Serves 4 (our estimate); the cook says the recipe doubles easily for a bigger tray. No cheese? The cook swaps it for extra egg yolks and a spoon of tallow; to make it fully dairy-free, leave out the cream too. Keeps 3 days in the fridge.
