Method TIMES = THE MOMENT IN THE VIDEO

1. Put the chicken, water and some of the salt in a large pot and bring to the boil over high heat. Skim off the foam that rises to the surface. 0:16
2. Add the aromatics: coriander bunch, red capsicum, oregano, celery, bay leaves, onion, garlic, leek tops, thyme, rosemary, cloves and peppercorns. Cover and simmer over medium heat for about 45 minutes. 0:41
3. Lift out the drumsticks after about 25 minutes so they don't overcook, and the rest of the chicken after 45. Remove the aromatics or strain the broth, making sure no peppercorns or cloves remain. 1:14
4. Return the clear broth to the boil and add the corn, tomatoes, serrano (if using), chayote and carrots; cook for 15 minutes. Add the potatoes and cook 10 minutes more. 2:06
5. Add the cabbage, calabacitas and green beans. Shred the chicken (discarding skin and bones) and return it to the pot; simmer 5–7 minutes until all the vegetables are tender. 2:48
6. Taste for salt. Serve in big bowls with a squeeze of lime, chopped coriander and a spoon of salsa, with warm tortillas on the side. 4:04

> **Tip** Serves 10 (our estimate). The cook uses 3 tbsp salt; start with 1 tbsp and season at the end to more than halve the sodium. Freeze broth and chicken in portions.
