Method TIMES = THE MOMENT IN THE VIDEO

1. Heat the olive oil in a 25–28 cm non-stick frying pan over medium-high heat and soften the scallions for 2–3 minutes. 2:09
2. Add the zucchini rounds, season lightly with salt and pepper and cook 3–4 minutes until fork-tender (a little colour is traditional). Add the tomatoes and cook 2–3 minutes, just until they soften. 2:41
3. Whisk the eggs with the parsley, salt and pepper, then crumble in the feta. 3:40
4. Pour the eggs over the vegetables, stir gently once, then turn the heat to medium-low, cover and cook about 10 minutes until just set (slightly soft on top). 4:40
5. Take the pan off the heat and leave it covered for 5 minutes so it releases easily, then slide onto a board and cut into wedges. 5:17

> **Tip** Good warm or at room temperature, so it travels well. The cook serves it with salad and tzatziki (skip the bread for keto). Mint or basil can replace the parsley, and a leek or small onion the scallions.

The method is a summary in our words — the video shows every step.
