Method TIMES = THE MOMENT IN THE VIDEO

1. Mash the raspberries and strawberries in a bowl, then stir in the maple syrup and chia seeds. Leave for 20 minutes so the chia seeds swell and the jam thickens. 0:49
2. Spoon 6 dollops of the jam onto a plate lined with baking paper and freeze for about 2 hours, until solid. 1:26
3. Melt the chocolate with the coconut oil in the microwave in 30-second bursts, stirring each time so it doesn't burn. 1:56
4. Working quickly, dip each frozen jam bite in the chocolate until fully coated and put it back on the paper; the chocolate sets almost at once. 2:29
5. Keep in an airtight container in the freezer (up to a month) or the fridge (2 days). Leave frozen bites at room temperature for 20–30 minutes before eating so the filling softens. 2:47

> **Tip** The cook says the batch makes about 6 serves. Use any berries you have. The dipping leaves some chocolate in the bowl, so each bite has a little less than we count.
