Method TIMES = THE MOMENT IN THE VIDEO

1. Trim the okra by paring the cap off in a circle; scrape off any rough fuzz. Wash, then dry it completely on a towel. 0:55
2. Sear the lamb in 1 tsp ghee with a pinch of salt and pepper. Add the whole spices and broth vegetables, cover with lukewarm water and the salt, bring to the boil and skim. Simmer covered on low until the meat is about 80% tender. 1:40
3. Air-fry the dry okra with a light spray of olive oil for 10 minutes, or sauté it in 2 tbsp oil, stirring, until it takes colour on all sides. 3:00
4. Chop the onion, coriander and garlic very finely. Strain the broth, keeping the meat and 470 ml of broth. 3:34
5. In the same pot, soften the onion in ½ tsp ghee without browning, add the garlic and coriander, then the meat. Fold in the okra gently, then the tomato juice, paste, broth, salt, pepper and sugar. Bring to one boil only. 4:16
6. Tip into a clay or ovenproof dish, lay the chillies and cherry tomatoes on top and bake at 180°C for 30–40 minutes until browned on top (or simmer on low heat 30–40 minutes). Serve with lemon. 6:03

> **Tip** Usually eaten with vermicelli rice or bread; cauliflower rice keeps it lower in carbs. Serves 6 is our estimate. Her description lists 2 tbsp paste and 1 tbsp sugar; on camera she uses 1 tbsp and a pinch. Freezes well.

The method is a summary in our words, in English — the video (in Arabic) shows every step.
