Method TIMES = THE MOMENT IN THE VIDEO

1. Slice the 2 onions, cut the red capsicum into thin strips and the carrots into ½ inch rounds (score the carrots lengthwise first if you want little flowers). 0:49
2. Bone the chicken breast, keeping the knife close to the carcass, then cut the meat into strips and then into small cubes. 2:06
3. Heat a little oil in a casserole and cook the chicken for about 5 minutes, stirring now and then. 3:25
4. Add all the vegetables, then season with the salt, pepper, dried garlic and parsley, and oregano. 3:46
5. Pour in the white vinegar, white wine, ½ glass of oil and the water and stir well. 4:18
6. When it boils, lower the heat and simmer half-covered for 45 minutes. Cool, then keep in a covered container in the fridge; it tastes best after a day or two and keeps about 5 days. Serve cold. 4:46

> **Tip** Serves 5 (our estimate from 2¼ lb chicken on the bone). Add bay leaves and whole peppercorns if you have them, as is traditional. Use white or cider vinegar; wine vinegar turns it pink. A Christmas favourite for hot days.

The method is a summary in our words, in English — the video (in Spanish) shows every step.
