Method TIMES = THE MOMENT IN THE VIDEO

1. Heat the oven to 200°C. In a bowl stir together the almond flour, sweetener, cocoa, baking soda, baking powder and salt. 0:21
2. Add the melted butter, vanilla, beaten eggs and water and stir until smooth. 0:52
3. Stir in the sugar-free chocolate chips. 1:21
4. Line a 2.8 L muffin tin with paper cases, spray the insides lightly, and divide the batter evenly. Press a few extra chips on top if you like. 1:36
5. Bake 15–20 minutes (15 was enough for the cook), until a toothpick comes out clean. 2:20

> **Tip** Choose sugar-free chips sweetened with stevia or erythritol, not maltitol. Spraying the paper cases helps them peel off cleanly. They freeze well; thaw at room temperature.
