Method TIMES = THE MOMENT IN THE VIDEO

1. Blend the onion, garlic and lemon juice in a food processor until fine. Tip the mixture onto a clean cloth and wring the juice out into a bowl; discard the pulp. 0:23
2. Pour the juice over the lamb, add the oil, cumin, chilli powder, garam masala and salt, and mix well. Cover and refrigerate for at least 4 hours or overnight. Take it out 30 minutes before cooking. 0:45
3. Grill: heat a charcoal grill until very hot, thread the lamb onto skewers with ½ inch between pieces and grill directly over the coals for 5–7 minutes, turning halfway and basting with a little oil, for medium-rare to medium. 1:20
4. Stovetop: heat a heavy pan such as cast iron until very hot, add the 2 tsp oil and sear the lamb pieces without crowding them for 5–7 minutes, turning to brown all sides. 2:38
5. Rest the lamb loosely covered for 5 minutes before serving. 2:31

> **Tip** The cook serves these with rice or naan and grilled onions and peppers; for keto, keep the grilled vegetables and skip the rice. Soak wooden skewers in warm water for at least 30 minutes so they don't burn.
