Method TIMES = THE MOMENT IN THE VIDEO

1. Trim the chicken of any fat and cut it into even cubes so it cooks evenly. Put it in a large bowl. 0:49
2. Grind the saffron with a pinch of sugar, pour over 2 tbsp boiling water and leave 5 minutes. Whisk in the salt, turmeric, pepper, lemon juice, yoghurt and olive oil. 1:20
3. Pour the marinade over the chicken and mix until every piece is coated. Cover and refrigerate for at least 4 hours, or overnight for the best result. 2:11
4. Heat a grill to medium-high. Stir the chicken again, then thread it onto long flat metal skewers (or soaked bamboo skewers), leaving a little gap between pieces. 2:39
5. Start the tomatoes and chillies on the grill first, as they take longer. Add the skewers and turn them about every 30 seconds for 4–5 minutes, until the chicken is firm and cooked through. 3:35
6. Slide the chicken off the skewers, drizzle with melted butter and serve with the grilled tomatoes and chillies, onion rings, mint, radishes and lemon wedges to squeeze over. 5:01

> **Tip** Serves 4 (our estimate, about one breast fillet each). Traditionally eaten with saffron basmati rice (the cook links his own recipe). Thigh fillets work too and stay juicier.
