Method TIMES = THE MOMENT IN THE VIDEO

1. Heat the oven to 350°F and grease and line two 8 inch cake pans. In a large bowl, mix the almond flour, baking powder and salt. 0:40
2. Add the 4 egg yolks, sour cream, melted butter and vanilla, then the sweetener and ¼ cup cream, and mix until combined. 1:10
3. Beat all 6 egg whites with an electric mixer to stiff peaks. Stir a third into the thick batter to loosen it, then gently fold in the rest. 1:41
4. Divide the batter between the pans and bake for 18–20 minutes. Cool on a wire rack. 2:06
5. For the sauce, cook the diced strawberries with the sugar-free syrup over medium heat until they release their juice and thicken. Add 2–3 tbsp water and blend smooth. 2:30
6. Whip the 4 cups of cream with the sweetener until it starts to thicken, add the lemon zest and juice, then beat on high to stiff peaks. 3:10
7. Cut the cake into bite-sized cubes. In a trifle bowl, layer a third of the lemon cream, half the cake, half the sauce and half the berries; repeat, finishing with cream. Chill until serving. 3:50

> **Tip** Makes a big bowl (20 serves); halve everything for a smaller trifle dish or layer it into individual glasses. Make it ahead and keep it chilled.
