Method TIMES = THE MOMENT IN THE VIDEO

1. Shred the chicken into a large bowl (if using a rotisserie chicken, take off the skin first). 0:39
2. Add the finely diced red onion, the sliced celery, the chopped hard-boiled eggs and the chopped pecans. 1:20
3. Add the mayonnaise, Dijon mustard, lemon juice, rice vinegar, dill, salt and pepper, plus the diced mini peppers if you like, and mix well. 2:23
4. If the chicken was warm, chill the salad for about an hour; if not, serve straight away, spooned into large lettuce leaves to eat as wraps. 3:29

> **Tip** Keeps 5 days in the fridge; if making it ahead, add the lemon juice just before eating and fill the lettuce leaves at the last minute so they stay crisp. Walnuts or slivered almonds can replace the pecans.

The method is a summary in our words — the video shows every step.
