Method TIMES = THE MOMENT IN THE VIDEO

1. Pull the stalks off the white and portobello mushrooms and keep them; slice the caps. 0:42
2. Fry the oyster mushrooms in a little olive oil and a knob of butter with salt, pepper and cayenne, leaving them alone until their water cooks off and they brown and crisp. Set aside for the garnish. 1:21
3. In a saucepan heat a little olive oil and butter and cook the garlic until it starts to colour. Add the stalks and a handful of the sliced caps, season with the stock cube, pepper, paprika and cayenne, and cook until they release their liquid. 2:33
4. Add about 1¼ cups water and cook until the mushrooms are soft, then blend until smooth. 3:44
5. In the same pan melt the rest of the butter and fry the remaining sliced caps over high heat until they give up their liquid. 3:58
6. Pour the blended soup through a sieve into the pan and simmer until the sliced mushrooms are tender. Stir in the cream and take off the heat. 4:26
7. Serve topped with grated cheese, the crispy oyster mushrooms and chopped basil. 5:00

> **Tip** Add as much or as little cream as you like (the cook's advice). A stock cube is optional — chicken or vegetable stock, or water and salt, work too. Any hard cheese works on top.

The method is a summary in our words — the video shows every step.
