Method TIMES = THE MOMENT IN THE VIDEO

1. Warm the avocado oil in a heavy pot or Dutch oven over medium heat and cook the sliced onion and garlic until soft and fragrant. 1:48
2. Add the ginger, garam masala, coriander, turmeric, cinnamon, chilli powder and salt and stir for a minute so the spices toast into a paste with the onion. 2:01
3. Stir in the tomato paste and 180 ml water to make the curry base. 3:32
4. Add the beef and stir to coat, then pour in just enough extra water to nearly cover it and tuck in the bay leaves. 4:09
5. Cover and simmer gently for about 1 1/2 hours (up to 2), stirring once or twice, until the beef is very tender. 4:42
6. Remove the bay leaves. For a thicker sauce, simmer uncovered for a while to reduce it. Serve over cauliflower rice with greens. 4:55

> **Tip** Serves 6 (the cook's written recipe). Serve over cauliflower rice with steamed greens for a full keto meal. Freezes well for up to 3 months.

The method is a summary in our words — the video shows every step.
