Method TIMES = THE MOMENT IN THE VIDEO

1. Mix the almond meal, coconut flour, flaxseed meal, psyllium husk powder, onion powder, baking powder and salt in a large bowl. 0:55
2. In another bowl, separate the whites of 3 eggs (carton whites won't work), add 1 whole egg and the vinegar and beat briefly. 1:53
3. Stir the egg mixture into the dry ingredients, add the lukewarm water and beat with an electric mixer for no more than 15 seconds, then fold with a spatula to press out air pockets — it firms into a dough. 2:37
4. Heat the oven to 350 °F. Shape the dough into 5 buns on a lined baking tray with a spoon or spatula. 3:19
5. Sprinkle sesame seeds over the tops and press them in lightly with the spatula so they stay on. 3:49
6. Bake about 50 minutes until well browned, then cool before slicing. 4:13

> **Tip** Wet hands make shaping easier. Make more, smaller buns for sliders (bake a little less). Split and toast them before filling.
