Method TIMES = THE MOMENT IN THE VIDEO

1. Put the beef and liver in a heavy pot. Add the salt, chilli powder, turmeric, cumin, coriander, ginger paste and garlic paste. 1:09
2. Add the sliced onion, the green chillies, bay leaves, crushed cardamom, cloves, cinnamon, nutmeg and mace. 2:07
3. Add the Mezbani flavourings: peanut paste, mustard paste, ground fennel and radhuni, then pour over the mustard oil. 2:57
4. Mix and rub everything into the meat by hand, add the 120 ml water and leave to marinate for 30–60 minutes. 3:45
5. Cover and cook over medium heat for 8–9 minutes until the meat releases its juices, then turn to medium-low and cook covered for 1–1¼ hours, stirring now and then, until tender and the oil rises to the top. 4:37
6. Add a few whole green chillies, turn off the heat and leave covered for 5 minutes before serving. 6:01

> **Tip** Serves 8 (our estimate for 2 kg beef on the bone). Traditionally eaten with rice or roti; cauliflower rice keeps it lower in carbs. Spoon off some of the oil that rises to the top if you like it lighter.
