Method TIMES = THE MOMENT IN THE VIDEO

1. Heat the oven to 425°F. In a heavy casserole, heat the oil over medium-high heat and brown the lamb in batches on all sides; set aside. Pour off the excess fat. 3:54
2. Add the diced carrot and onion with ¾ oz butter and sweat for 2–3 minutes. Return the lamb, sprinkle over the flour, and put the uncovered pan in the oven for 5 minutes. 5:34
3. Back on the stove (heat off), stir in the tomato paste to coat the meat. Add water just to cover, bring to the boil, then add the garlic, bouquet garni, salt and pepper. 7:14
4. Cover and cook in the oven at 400°F for about 35 minutes. Meanwhile blanch the potatoes, and glaze the pearl onions with the sugar, ¾ oz butter and a little water until caramelised. 9:04
5. Move the lamb and potatoes to a clean pan, strain the sauce over them (discard the carrot, onion and herbs) and simmer on medium-low for 20 minutes until the potatoes are tender. 9:55
6. Serve topped with the caramelised onions and a little parsley. 11:51

> **Tip** Lamb shoulder needs the long cook; trim visible fat and pour off the browning fat well to make it lighter. Add peas or green beans for the last 10 minutes for a spring-style navarin.

The method is a summary in our words — the video shows every step.
