Method TIMES = THE MOMENT IN THE VIDEO

1. Soak the dried morels in about ¾ cup hot water for at least an hour. Squeeze them out over a bowl, strain and keep the liquid, rinse the morels well to remove any grit, and halve the big ones. 1:50
2. Season the chicken. Melt the butter over low heat and, once foaming, colour the chicken 3–4 minutes a side. Set it aside. 4:52
3. In the same pan over medium heat, soften the shallots 1–2 minutes, add the morels for a minute or two, then add the sherry and reduce by half. 6:11
4. Pour in the strained morel liquid and reduce by half again. Season with salt (or a little stock), add the cream and boil for about 10 minutes until it thickens. 7:08
5. Return the chicken and its juices, spoon the sauce over, cover and simmer gently about 15 minutes until cooked through. Taste and adjust with a splash more sherry or morel liquid. 8:17

> **Tip** Serves 4 is our estimate (one piece each). In the video he seasons with a spoonful of chicken stock and uses about ½ cup sherry. He serves it with tagliatelle; for keto, use green beans.

The method is a summary in our words — the video shows every step.
