Shogayaki (Japanese Ginger Pork) with Shredded Cabbage

25 min · Serves 2 · 622 kcal a serve · Video 11:08 · Aaron and Claire

No dairy listed · No nuts listed

Thin-sliced pork loin gives about 40 g of protein a serve, and the big pile of raw cabbage adds vitamins C and K. The pork is only dusted with starch and finished in a quick soy, mirin and fresh-ginger sauce rather than battered.

Diet notes: Gluten-free with a swap: Use tamari instead of soy sauce and check that your mirin and sake are gluten-free.

Method TIMES = THE MOMENT IN THE VIDEO

1. Scrape the skin off the ginger with a spoon and grate it over a bowl so you keep the juice. Stir in the soy sauce, mirin, sake, sugar and water to make the sauce. 1:25
2. Slice the onion, not too thin. Shred the cabbage as finely as you can, soak it in cold water for a minute or two to crisp it, then drain well. 2:20
3. Nick the edges of the pork slices so they lie flat, season both sides with black pepper and dust lightly with potato starch. 3:25
4. Heat 1 tbsp oil in a large pan over medium-high heat and fry the onion with a pinch of salt for 3–4 minutes until soft and browned. Lift it out. 4:35
5. Add the remaining oil and sear the pork in two batches, a minute or two per side, just until no longer pink. 4:52
6. Return the pork and onion, turn the heat to medium, pour in the sauce and simmer 2–3 minutes, turning the pork until the sauce thickens and coats it. Serve beside a mound of cabbage with the pan sauce, plus the tomatoes and grilled shishitos if using. 5:26

> **Tip** Serves 2 (written recipe); eat it with steamed rice. Pork shoulder works too. For less sugar, cut the mirin to 2 tbsp. Leftovers keep 2 days in the fridge.

The method is a summary in our words — the video shows every step.
