Method TIMES = THE MOMENT IN THE VIDEO

1. Rinse the rice two or three times, then add 120 ml water and bring to a bubble over medium-high heat. Stir, cover, turn to medium-low and cook 15 minutes, then turn off the heat and let it steam 10 minutes more. 0:30
2. Meanwhile chop the garlic and ginger, cut the broccolini into bite-size pieces, and pat the tofu dry and cut it into cubes. 1:22
3. Stir the potato starch into 60 ml water, then add the vegetarian oyster sauce, soy sauce, sesame oil and maple syrup. 3:32
4. Heat a drizzle of avocado oil in a nonstick pan over medium heat and fry the tofu 3–4 minutes, then set aside. Sauté the broccolini, garlic and ginger 2–3 minutes. 4:05
5. Return the tofu, pour in the sauce and stir briefly, then add 60 ml water and simmer 3–4 minutes until glossy. Serve over the rice with green onion and sesame seeds. 5:24

> **Tip** Makes one large bowl; double it for two. Brown rice adds fibre (cook it longer). Any green veg works in place of broccolini.

The method is a summary in our words — the video shows every step.
