Method TIMES = THE MOMENT IN THE VIDEO

1. Have the eggs and cream cheese at room temperature so the batter blends smooth, with no lumps of cheese. 0:36
2. Blend the eggs, cream cheese and sweetener (if using) on high for 1–2 minutes until completely smooth. The batter is thinner than ordinary pancake batter. 0:48
3. Heat a griddle or non-stick pan over medium-low heat and grease it lightly with butter or avocado oil. 1:34
4. Pour in small rounds (the batch makes about 8 regular or 12 silver-dollar pancakes) and cook about 1 minute a side, flipping gently once the edges have set — they are delicate. 1:45
5. Stack them and top with a pat of butter and a drizzle of sugar-free maple syrup. 2:12

> **Tip** Serves 2 as 4 pancakes each (our estimate); the cook's card gives about 85 kcal a pancake before toppings. Add cinnamon or vanilla, or fill them like crêpes. Fibre-and-monk-fruit syrups add almost no net carbs; real maple does.
